

How will Place Become the Heart of ICSs?

Catherine Dampney

Joining the dots across health and care

Who should do what across the spectrum?

ICS

INTELLIGENCE

DATA

SCR / APPS

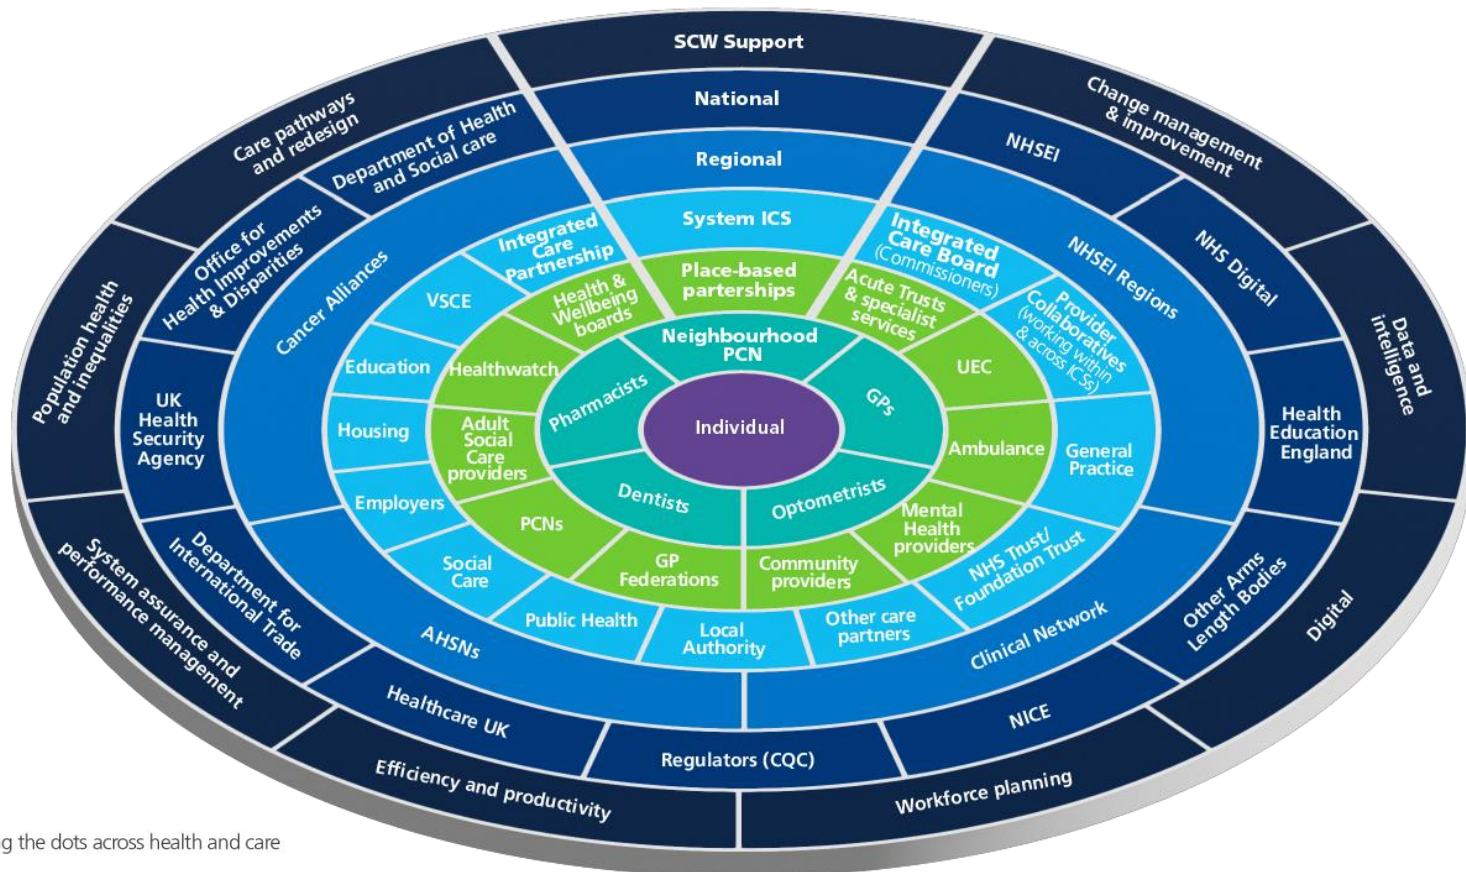

INFRASTRUCTURE

PLACE

FAMILY

ME

Which is the right point of view?

In Summary

Transformation will happen at Place

At scale foundations will be delivered through the ICS

Citizens will benefit through a holistic health & care service

Citizens will have the power to make the change

Catherine Dampney – Director of Innovation & Transformation
