Leadership and Transformational Change

MY EXPERIENCE

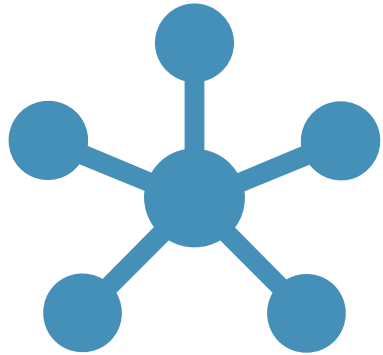

- Confidence - Regional role
- Influencing boards – not just collecting data but using it
- Increased skills and capability
- Heavy workload – alongside a full-time job, especially during pandemic
- User centred design – citizen involvement

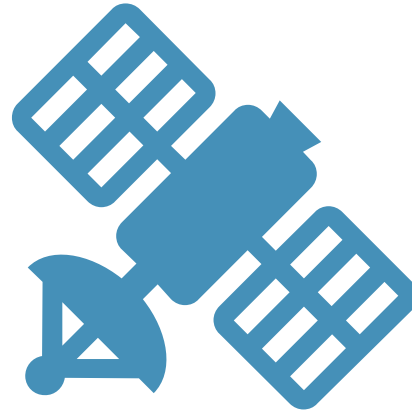

MY EXPERIENCE

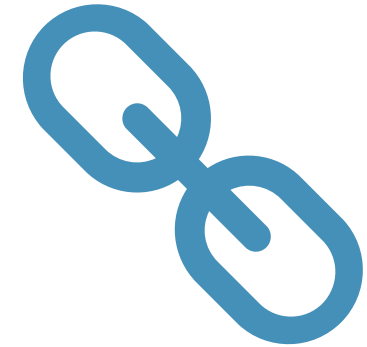

- Emerged into the Digital World
- Practical Skills to Leadership Skills
- Confidence Building (Imposter Syndrome)
- Networking
- MSc

Continued networking...

Opening for opportunities
in wider NHS

How do we maintain
Digital Academy Badge?

WHAT'S NEXT...

THANK YOU
