

Office for Digital Health

March 2022

digitalhealth@nice.org.uk

NICE National Institute for
Health and Care Excellence

Key functions of the Office for Digital Health

Contact:

Process enquiries from anyone who wishes to engage with NICE on digital health technology assessment.

Coordination:

Coordinate digital health strategic projects, internally and externally. Lead projects when required.

Policy:

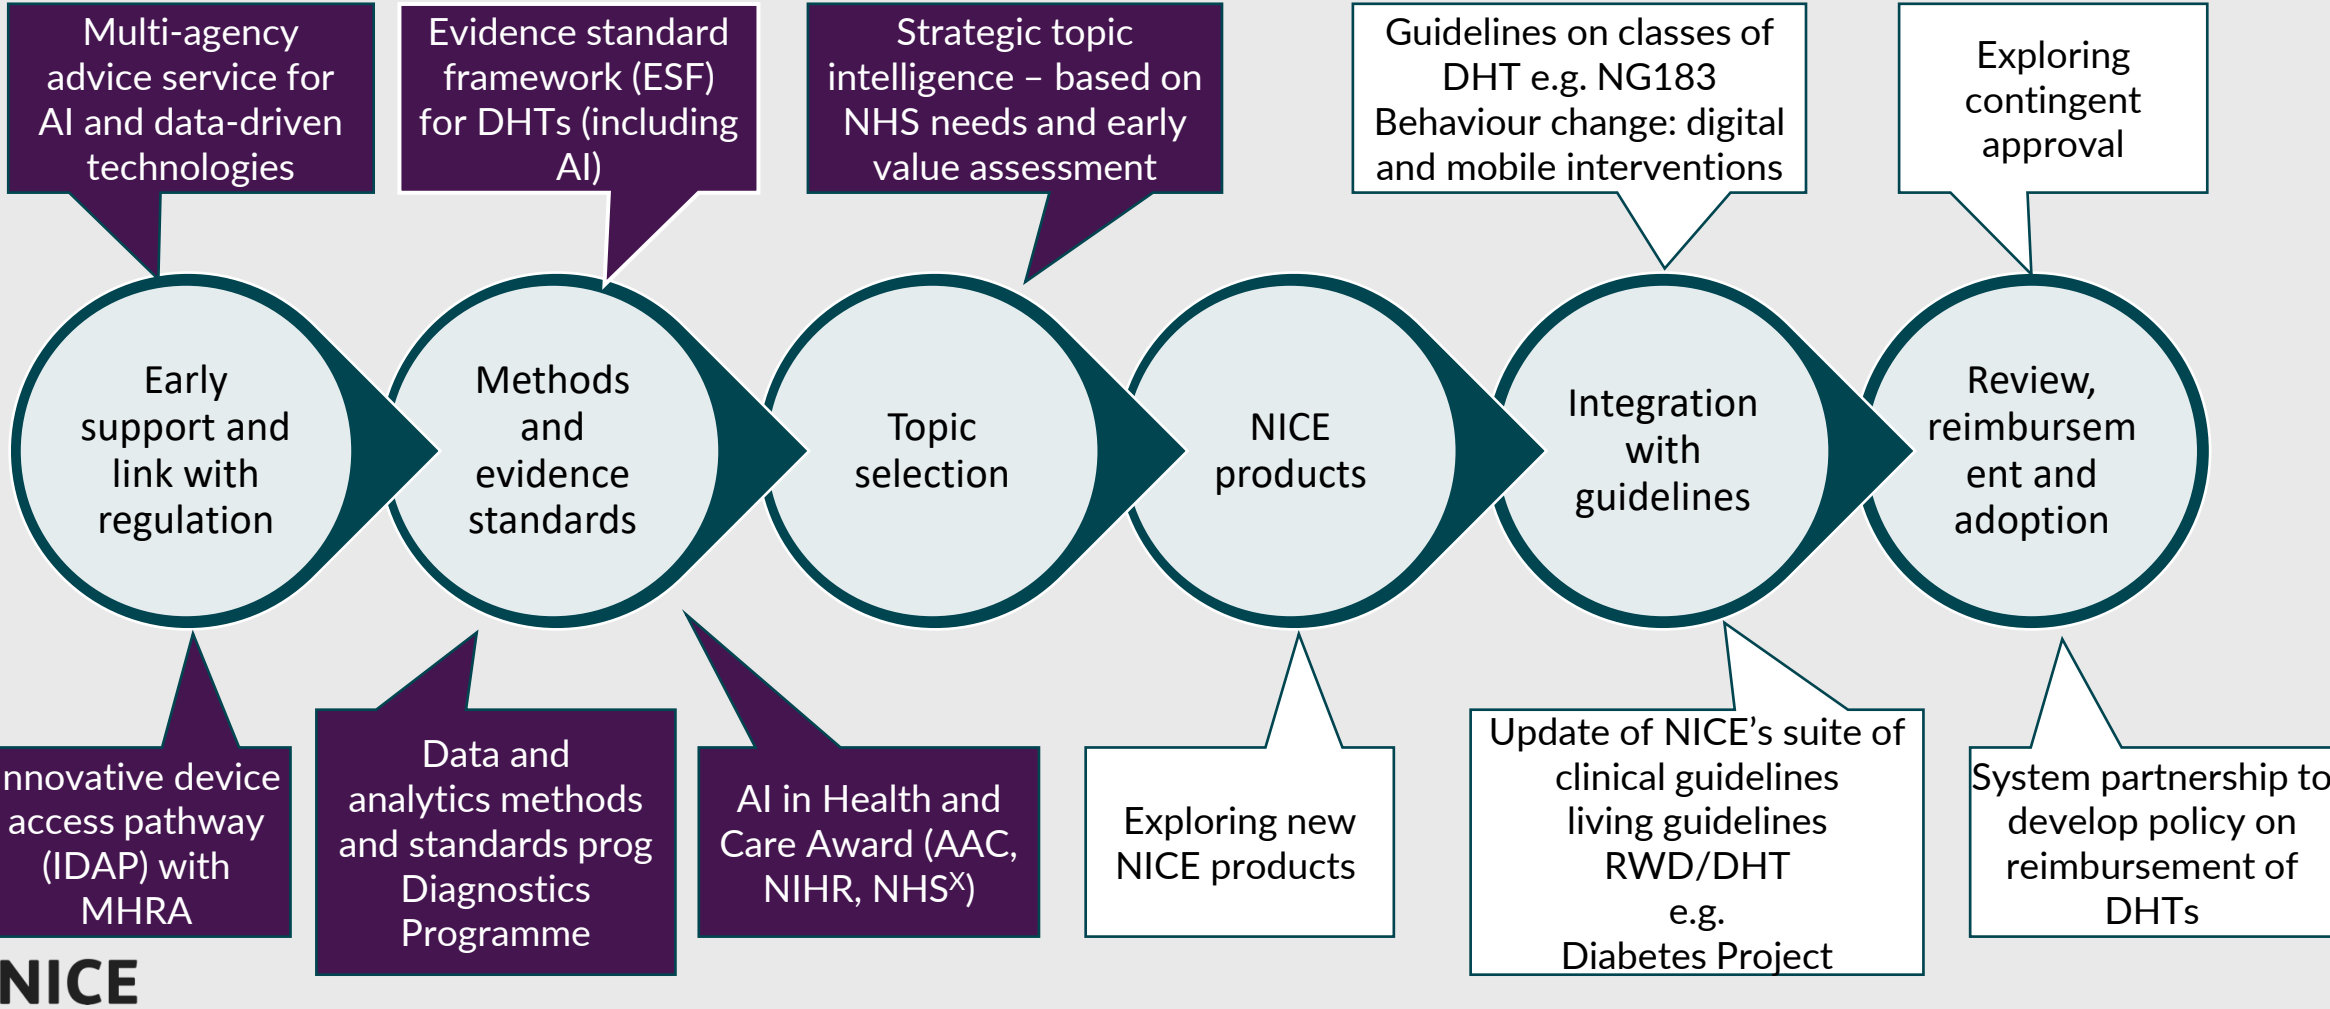

Lead on development and dissemination of NICE digital health policy and raise awareness of the broader policy landscape within NICE.

Engagement:

Lead on strategic engagement, including meetings, speaking engagements and events.

Snapshot of activities the ODH supports

NICE National Institute for
Health and Care Excellence

Thank you.
