Data Analyst	Digital Midwife	System Supplier	Fellow Digital Midwives
Clinical Auditor	DMERG		Summer School
Desk Tops	MSDS Task & Finish		
Operations			
Specialist Midwives			
Divisional Management			
Digital Team UHNM			
Training			

What do we do?

Essential in the innovation and development of positive change in the digital world.

Advocate for midwifery colleagues and families.

Ensure MIS up to date with national guidance.

Continual System development, UAT, Training.

Data Quality, MSDS, Audit, Validation.

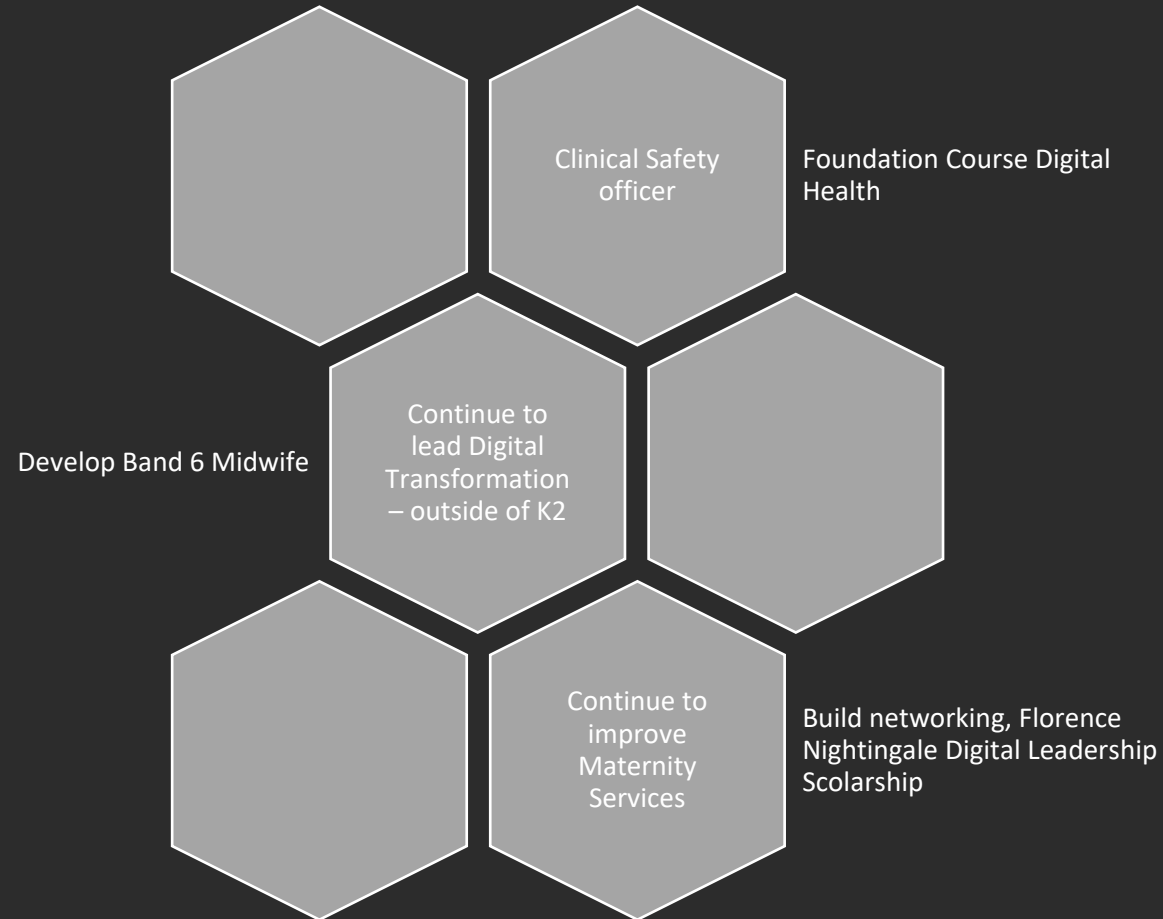

MSDS, CNST, Strategy.

And much more.....

Projects

Past	Ongoing	Future
Numerous Software updates	IOL digital order/scheduling	Neonatal Badgernet full EPR
Numerous clinical model updates	Pathology Interface	Ockenden National Update
Portals replaced Delivery Suite	Digital Strategy	Intrauterine artery doppler
Keyboards for all portals	Training packages	SBL Update
CNST	MSDS Validation	Viewpoint Interface
Self referral	Portals/Central Station- MAU	MPN- Remote monitoring
PHR		E Midwife
UTF		

What is next for me?

Amazing journey so far....
