ALPHV Blackcat ransomware affiliates continue to victimize critical infrastructure entities, particularly in the healthcare sector. See new TTPs, IOCs, and recommended mitigations in an updated joint [#CybersecurityAdvisory](#) from the [#FBI](#), the [Cybersecurity and Infrastructure Security Agency \(CISA\)](#), and the [U.S. Department of Health and Human Services \(HHS\)](#): <https://lnkd.in/etTXUjD8>

Potentially hundreds of UK law firms affected by cyberattack on IT provider CTS

Where To Look For Guidance?

DSPT

NCSC : Cyber Assessment Framework

NCSC : Supply Chain Security Guidance

Where To Start and When

- What needs to be protected and why
- Know suppliers and what their security looks like
- Understand the risk from your supply chain
- Start NOW!

Reporting

Reporting

Early identification
and reporting is key
