												the rest of it. Very fiddly. The whole thing took about 3 minutes. Please, let me know if you want to clarify.					
OC	UHL-OC-001319	27/02/24	LI		Outpatient s	DV8.0.3 UAT	Defect	D2			Outpatient request- Display of Ordering Location details in Order History	While Ordering Location is a field in the form, the details selected is not displayed in the Order History section. Please see screenshots attached to the ticket	.Open - Logged with Supplier	27/02/24	247356		
OC	UHL-OC-001320	27/02/24	LI		Outpatient s	DV8.0.3 UAT	Defect	D1	N		Outpatient request- Unable to edit the Ordering Location information	Editing the Ordering Location field does not display the edited information. Example Submitted the form with Leicester Royal as Ordering Location. Edited the ordering location field to Glenfield and saved. But Leicester Royal is still displayed in the Blue banner. Order History displays as Order changed but does not specify the changed information. Please see screenshots attached to the ticket	.Open - Logged with Supplier	27/02/24	247361		
MEDS	UHL-MEDS-001321	27/02/24	FS		Outpatient s	DV8.0.3 UAT	Defect	D1	N		Meds prescription	Consultant and prescriber's name are not showing correctly in the Outpatient prescription printout	.Open - Logged with Supplier	27/02/24	247410		
MEDS	UHL-MEDS-001327	28/02/24	FS		Outpatient s	DV8.0.3 UAT	Defect	D1	N		Meds prescription	Previous prescription history button is not available in DV8.0.3 Outpatients	Open - Replicated by Supplier	28/02/24	247355	18956	
MEDS	UHL-MEDS-001331	28/02/24	FS		Outpatient s	DV8.0.3 UAT	Defect	D2			Meds prescription	For the rejected prescriptions, status is showing as 'Not dispensed' in meds screen	Open - Replicated by Supplier	28/02/24	247569	17001	
OC	UHL-OC-001335	29/02/24	LI		Outpatient s	DV8.0.3 UAT	Defect	D2	Y		Outpatients-	For Outpatients, when no episode of care is selected, selecting the current episode should not display anything. But the application is displaying some random results from Inpatient ordering. Please see replication steps and screenshots	.Open - Logged with Supplier	29/02/24	247657		
OC	UHL-OC-001340	01/03/24	LI		Outpatient s	DV8.0.3 UAT	Defect	D1	Y		Outpatients orders- Location details- Printed form/Labels	Location field is not being populated on the printed form and labels. Please see screenshots attached to the ticket.	.Open - Logged with Supplier	01/03/24	247734		

- Building a core team with shared vision.
- Clear ownership of risk.
- Collaborative approach with our vendors.
- Patient/Clinician focused approach.

Risk as an opportunity....

BMA announces 72 hours of junior doctor strike action in March

 eHospitalUHL
@eHospitalUHL

Do the math: Phlebotomist, Ellie, loving [@nervecentrehq](#) Investigatio module. “I have 33 patients today to bleed. We aim to bleed 8 patient an hour and after 2 hours, I have just three patients left to bleed. So much more efficient and paper free!” [@Leic_hospital](#) [@CIOLeic_hosp](#)

10:06 AM · Mar 9, 2023 · 2,606 Views

- Go live date for NerveCentre Investigations/Ordercoms module within 1 week of the longest/most disruptive period of Industrial Action in England.
- Go or No Go?

Importance of partnership....

- One day before the start of Industrial Action, 92 out of 1000 Consultants had access 'training videos' pushed out via different routes.
- Focus on user design gave confidence to continue

Measles cases are rising in England

Make sure your child
is up to date with
their MMR vaccinations

Utilising all available options:

- Needed to contact members of the public exposed to measles.
- One Patient can generate 100+ contacts.
- Utilized our existing patient appointment system to quickly contact patients.
