# Collaborative Patient Focused Transformation through Digital Innovation

Kelvin Lack (Head of Projects & Development)  
Owen Foster (Senior Developer)

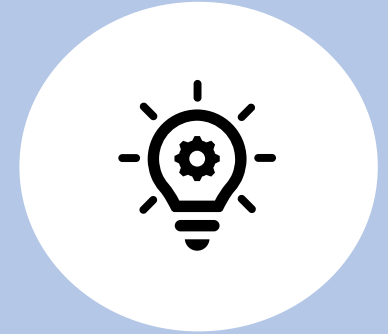

## COLLABORATION

co-produced  
warts and all  
listening  
quick wins  
effort vs efficiencies  
pick and mix

## TRANSFORMATION

agile / iterative  
empowering  
momentum  
continuous review  
governance  
benefits realisation

## INNOVATION

constraints  
myths  
process/tech together  
explainable  
safety  
value
